

Business Matching Session with Taiwan OPTI on Solar and UPS Product

Techtrans is hosting a one-to-one business matching session and co-organised by SME International for OPTI, a Taiwan company with Malaysian organisations to collaborate with them as a reseller, distributor or partnership to sell and promote their products and technology i.e. Solar and UPS. OPTI is very keen to establish business partnerships with Malaysian organisations and looking at Malaysia as the gateway to the expansion of their products and technology in the Malaysian market.

To know more about OPTI, please visit their website as follows:

www.opti-ups.com
www.opti-solar.com

We would like to cordially invite all of you to this one-to-one Business Matching sessions which will be held as follows:

Venue: TBC
Date: Saturday, 27 June 2009
Time: By Appointment

Please do not hesitate to avail yourself of this golden opportunity to enhance and develop your business.

Kindly confirm your appointment by contacting Techtrans Cystral at +6016-2192940.

Please also read the attached information of the Products and Technology by OPTI for more information.
